The Museum, Library and Cultural Properties Facility Group of Greater NYC

is a New York Metropolitan area educational organization devoted to meeting the professional needs of museum, library and other cultural facility administrators, especially in their efforts to set and attain standards of excellence and quality in the design, construction, operations and maintenance of world-class cultural facilities. MLCPPFG earnestly desires to promote and foster communications between facilities professionals at museums, libraries and other cultural facilities. We believe doing so will allow our members to be better educated and better equipped to serve the mission of their institutions. In pursuit of these goals, the association sponsors bi-monthly meetings with its membership and friends around the greater New York City Metropolitan area.
